

ESI[truck] HD Diagnostics

3824-08 – 12 Month Subscription Renewal

Keep your ESI[truck] running with uninterrupted coverage, special tests and bidirectional controls. Renew your annual software subscription to keep special tests, bidirectional coverage and OE-specific codes on your ESI[truck]. After your subscription expires, ESI[truck] will only read SAE standard code and data. Contact your local Bosch distributor and visit boschdiagnostics.com to activate your new 12-month diagnostics subscription.
