

ALL-NEW ADS 625X

COMING SOON

Extreme diagnostics - bigger and better than ever

Extreme flexibility. Extreme speed. Extreme access.

10" High Resolution Display

Ultra crisp screen quality for easy viewing, even in bright daylight.

OEM Approved for Secure Vehicle Access

FCA certified for Secure Gateway Module (SGW) access.

Flexible Subscriptions

Adjust your subscription for what you use most. Upgrade for enhanced repair information at any time.

Ultra Fast Full System Scans with Quick-Scan

Complete vehicle scans in 60 seconds.

Advanced Vehicle Coverage

Fix the most vehicles with coverage and information for Domestic, Asian and European vehicles as far back as 1976.

Long-lasting battery life

Up to 14 hours of runtime and weeks of standby, giving you more time on tool and less time on the charger.

Leading Technology Hardware and Software

Offers peak performance on an expandable, future-proof platform. Powered by Android 9+.

Wireless J2534 VCI

Wireless gives you the freedom to move throughout the bay; J2534-compliant for factory programming with your OE subscription and PC.

Charging Station

Recharge easily with a dedicated station for your ADS 625X and VCI.

Lifetime Warranty

We've got you covered in the rare case something isn't working as it should.
